**2017 IEEE 5th International Symposium on Robotics and Intelligent Sensors (IEEE IRIS2017)** will be held in Ottawa Canada from **5<sup>th</sup> to 7<sup>th</sup> October 2017**. IEEE IRIS2017 is a flagship events for robotics and sensors community, jointly organized by IEEE Robotics and Automation Society (IEEE-RAS) Malaysia Chapter, IEEE Ottawa Chapter of RAS/CSS//CIS/I&M, University of Ottawa, Universiti Teknologi MARA and University of Toronto.

IEEE IRIS2017 welcomes submission of original and unpublished works related to robotics, sensors and other related areas. All accepted papers in Regular Sessions will be published in the conference proceedings and will be submitted for publication in **IEEE-Xplore database (SCOPUS indexed)**. All accepted papers in Workshops and Special Sessions will be published in **Journal Procedia Computer Science by Elsevier (SCOPUS Indexed - SNIP IF 0.716)**.

IEEE IRIS2017 will address a range of pertinent issues and themes relating to the research, innovation and application of robotics and sensors in today's global challenge. Central to this conference, is the transformation in terms of the underlying philosophy in form, content and function of robotics and sensors in the context of global arena that elicits behavioral change in people, systems and organizations in a holistic manner.
